Afghans, The (b) C. Field .....	536		

\* Cross-references to kindred subjects are indicated by *italicized* words in parenthesis. The letter (a) indicates an article over 3 pages in length; the letter (b) a brief article from one to three pages in length. All other subjects indexed are less than one page in length. The number of the month when any given article appeared may be found by dividing the number of the page by 80 and adding 1 to the unit so obtained. For example: page 548,  $\div 80 = 6, + 1 = 7$  (July).
